

Privacy Policy

1. General Provisions

1.1. This Privacy Policy of the company "InfraTech" (hereinafter referred to as the "Policy") sets out the general terms for the processing of personal data of users and clients on the website "infratech.kz" (hereinafter referred to as the "Site").

1.2. Users of the Site are any individuals or legal entities who use the site to obtain information about the services provided, as well as to submit requests for consultations.

1.3. The Company has the right to modify this Policy unilaterally by posting the amended text on the site.

1.4. Users are required to track changes to the Policy on their own.

1.5. By using the Site, the User is deemed to have fully accepted the terms of this Policy without any reservations or exceptions. If the User disagrees with any of the provisions, they are not entitled to use the Site.

1.6. If the User disagrees with this Policy, they may cease using the Site.

2. Processing of personal data

2.1. The Company processes the personal data of Users for the following purposes:

To provide various services and services.

To provide various services and services.

To provide any other services and services that are made available through our Site.

To provide any other services and services that are made available through our Site.

2.2. The Company may transfer the User's personal data to a third party in the following cases:

If the User has given consent to the transfer of their data to a third party;

If the User has given consent to the transfer of their data to a third party;

If the transfer of personal data is necessary to provide services and services;

If the transfer of personal data is necessary to provide services and services;

If the User uses their Site account for authorized access to information contained in an information system operated by a third party;

If the User uses their Site account for authorized access to information contained in an information system operated by a third party;

If the transfer is necessary within the framework of a procedure established by law.

If the transfer is necessary within the framework of a procedure established by law.

2.3. The Company and the User are obliged to take the necessary organizational and technical measures to ensure the confidentiality, integrity, security, and availability of personal data.

3. Processing of personal data of employees

3.1 The “About” section of our website may contain personal data of employees, including names, positions, photos and contact information.

3.2 This data is processed and published with the consent of the employees in order to provide users with information about our team and their professional qualifications.

3.3 Employees' personal data is processed in accordance with data protection legislation and the company's internal regulations.

3.4 Employees have the right to access, correct or delete their personal data. In order to exercise these rights, they may apply to the company administration.

4. Use of cookies and similar technologies

4.1 We use cookies and similar technologies to improve your experience on our website. You can control the cookie settings in your browser. You can find out more about our cookies policy [here](#).

5. Changes to the Policy

5.1 We may update this Privacy Policy from time to time. An updated version of the Policy will be published on our website and will be effective upon publication.

6. Contact information

6.1 If you have any questions about this Privacy Policy, please contact us at info@infratech.kz. We will endeavor to respond to your request within 30 days.
